

## **As Simple, Simply Said, a New Poetry Book, Ideas and Suggestions**

A new author just dipping his feet in the world of the publishing business has written and published his first book of poems. They were first published on February 14, 2008, **AS SIMPLE, SIMPLY SAID**. It is the last book of a series of three books in an anthology of poems trilogy. In the near future, perhaps a month or so, his next book, **SIMPLY SAID** is due to come out and then will be followed by the third and final book of the trilogy, **AS SIMPLE**.

There's a new poetry book out for your perusal. It's not only tantalizing, it's unusual. It talks of simple things, simply said; however, not so simple in the end. Can it be it's only started recently to be known and imparted?

"**AS SIMPLE, SIMPLY SAID**", by Giovanni Maria Tommaso, is an excellent little poetry book that makes for casual and enjoyable reading; cozy by the fire with that special someone or small poetry gatherings. Poetry circles and poetry groups would find this little poetry book easy to digest as a quick read leading to lively discussions, thoughts and opinions.

Any business would do well to give this little poetry book to a deserving employee as a lasting memento of service.

It is also suitable for any holiday: a Christmas gift, an Easter gift, along with flowers and chocolate for St. Valentine's Day, as a birthday present, party favors, family gatherings, a wedding, or any other occasion that can be thought of where a small gift will brighten up the atmosphere and be appreciated.

Here is a list of possible suggestions you may find helpful.

1. Readings and or discussion groups, poetry gatherings and circles.
2. Casual reading; cozy by the fire; light and enjoyable.
3. Special events, holidays, and birthdays.
4. For that someone in your life who enjoys a good poem.
5. A party favor gift; for showers and weddings.
6. A suggested poetry book for any clinic, doctor's or lawyer's office for perusal while waiting; in fact, for any waiting room situation.
7. As a promotional item in business or for employee gatherings.
